Thank you for purchasing this Philips Hue product, we highly appreciate your choice for the Philips brand and wish you lots of pleasure using your product. Please go to www.philips-hue.com to learn more about HUE and how to use it. Using Philips Hue requires acceptance of the Philips Hue Terms of Use as available on www.philips-hue.com (go to "Product Terms of use" in the footer).

SIMPLIFIED EU DECLARATION OF CONFORMITY - Hereby, Signify declares that the radio equipment type HUE personal wireless lighting system is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following Internet address: www.philips-hue.com/DoC;

WARNINGS AND CAUTIONS

The indoor product is for indoor use only. Do not use in wet locations, areas directly exposed to water or outdoors. Keep away from liquids and humidity. This product is not a toy designed to be played with by children. Keep away from young children. Do not place on hot surfaces. Do not place on a thick rug or carpet. For safety reasons and under the terms of the warranty, none of the enclosed devices should be opened. **Safety Instructions when using batteries/rechargeable batteries:** Charge 'rechargeable' batteries every 3 months to ensure lifetime of the product. Batteries should be installed by an adult. Different types of batteries and new and used batteries must not be mixed. Batteries are to be inserted with the correct polarity. The supply terminals must not be short-circuited. Exhausted batteries must be removed from the product. Remove batteries when the product is not in use for some time. Remove rechargeable batteries from the product before being charged. Charge rechargeable batteries only under adult supervision. Non-rechargeable batteries must not be charged. Risk of explosion if the battery is replaced by an incorrect replacement. **Warnings and cautions for products using coin/button batteries:** Keep new and used batteries away from children. If the coin/button cell battery is swallowed, it can cause severe internal burns in just two hours and can lead to death. If you think that batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention. If the battery compartment does not close securely, stop using the product and keep it away from children. CAUTION! Do not ingest battery – Chemical burn hazard. Safety Instructions for products with separate power supply unit: Only use supplied power supply unit. Product can be damaged when using a power supply unit of another manufacturer. Do not open the power supply unit for your own safety. **WIRELESS SPECIFICATIONS for all Philips Hue products** The Hue Bridge contains open software. The related license texts and the distribution procedure can be found with a web browser by opening the http page of the Hue Bridge. Disposal of the product. Your product is designed and manufactured with high quality materials and components, which can be recycled and reused. When this crossed-out wheeled bin symbol is attached to a product it means the product is covered by the **European Directive 2012/19/EU.** Please inform yourself about the local waste disposal, separation and collection system for electrical and electronic products and packaging. Please act according to your local rules and do not dispose your old product and packaging with your normal household waste. The correct disposal of the packaging, your product and/or batteries will help prevent potential negative consequences for the environment and human health. Batteries should be disposed separately from the municipal waste stream via designated collection facilities. When disposing a product that contains non-user replaceable batteries, the non-user replaceable batteries shall be removed by a professional. The product is ZigBee certified. Zigbee is an open standard for indoor wireless communication. All Philips ZigBee Certified products can be connected with other Philips ZigBee Certified products. Bluetooth® enabled product. If the battery compartment does not close securely, stop using the product and keep it away from children. CAUTION! Do not ingest battery – Chemical burn hazard. **ADDITIONAL PRODUCT SPECIFICATIONS for Hue MR16 bulb:** Not for use in totally enclosed fixtures. This product is specially designed and developed for domestic use in normal conditions and operation only. The lifetime mentioned onthe packaging is based on an average of up to 3 operating hours per day / 7 days per week. If you encounter any difficulties with the use of the product, we recommend that you first consult the user manual and the information on our website. Subject to the terms and conditions hereof, Signify as the manufacturer warrant that the device's hardware components are free from defects in materials and workmanship for a period of two (2) years after the date of purchase, unless a different period is stated in or on the packaging of the product and subject to maintenance of the product in accordance with the care and cleaning instructions laid down in the user manual. This limited warranty only applies to the hardware components contained in the original packaging. This limited warranty does not apply to any software, even if packaged or sold with the hardware components. We do not warrant that use of this device will be uninterrupted or error-free. Unless statutory provisions of applicable law regulate otherwise, our obligations under warranty will be limited, at our option, to either repair, to provide a replacement product for the defective product or to offer an appropriate credit for the purchase price for the defective product. (De)mounting and/or (de)installation and labour costs are excluded from warranty, as well as broken glass, batteries and replaceable bulbs. Our remedies under warranty will not extend or renew the original applicable warranty period. We are entitled, at our option, to replace the defective product covered by warranty, with a product that has minor deviations in design and/or specifications which do not affect the functionality of the product. In order to be entitled to make a valid claim under this warranty, you must present to us (or our representative) on request, an adequate receipt of your purchase and the defective product for analysis. To the maximum extent permitted by applicable law, this policy sets out our entire liability as the manufacturer, in connection with defective or non-conforming products.We will not be liable to you for other losses or indirect or consequential damages (including but not limited to loss of data or loss of income), nor compensate you for activities such as regular maintenance, saving or restoring data. Your statutory rights arising from applicable law are not affected by this voluntarily provided manufacturer's warranty. This warranty is subject to, and may be superseded by, our End of Support policy to the extent Signify decides to terminate support for this device in accordance with its End of Support policy, available here: www.philips-hue.com/endofsupportpolicy. If you purchased this Philips product within Australia, please note that our products come with guarantees that cannot be excluded under the Australian Consumer Law. If you purchased this Philips product within New Zealand, please note that our products come with guarantees that cannot be excluded under the New Zealand Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. To obtain service within the warranty period, please contact your dealer or the Philips Consumer Care center. The contact details can be found on: www.philips.com/lighting. Alterations in design and technical specifications reserved. The product is ZigBee certified. Zigbee is an open standard for indoor wireless communication. All Philips ZigBee Certified products can be connected with other Philips ZigBee Certified products. Bluetooth® enabled product.
